

EYELASH EXTENSION *Course*

Professional eyelash extension training in Gurgaon — classic, hybrid and volume techniques taught hands-on with certification and career guidance.

YOU WILL LEARN

CLASSIC · HYBRID · VOLUME · LASH LIFT & TINT

BASIC ₹15,000

ADV ₹25,000

Two tracks. One professional standard.

Start with classic foundations, or continue into volume artistry and lash lift & tint.

Basic Eyelash Extension Course

Foundations to first sets ₹15,000

- Classic lash extensions with safe isolation
- Volume & hybrid techniques, wet lash look
- Lash mapping, consultation & eye shapes
- Refills, removals, precare & aftercare
- Hygiene protocols, products & tool handling

Advance Eyelash Extension Course

Full artistry + lash lift ₹25,000

- Everything in Basic, plus **lash lift & tint**
- Advanced volume fans and custom styling
- Theory, dummy practice and live-model perfection

Consultation is free. Students bring their own model for live practice sessions.

Every set style, from natural to dramatic.

Each style is mapped, practised and perfected across the two tracks.

Technique first — from classic sets to custom styling.

01 · Classic lash extensions

Single extensions for a natural, everyday look — precision, balance and safe isolation.

02 · Volume & hybrid techniques

Fluffy volume fans blended with classics for a textured, fuller hybrid effect.

03 · Wet lash look & lash mapping

Trendy wet-look spikes and lash maps designed around eye shape for symmetrical results.

04 · Client consultation & eye shapes

Read eye shapes and consult in detail to choose styles that flatter and meet expectations.

The learning path

Theory — anatomy, lash cycles, safety

Dummy practice on a mannequin head

Isolation, placement & fan creation

Live model application

Feedback, correction & certification

SMALL BATCHES · PERSONAL ATTENTION

Care, safety and products — the professional layer.

05 · Refills & removals

Safe infill scheduling and gentle, damage-free removal that protects natural lashes.

06 · Precare & aftercare

Client preparation and post-care that improve retention and keep sets looking fresh longer.

07 · Hygiene protocols

Salon-standard disinfection, mask and glove use, and workstation sterilisation for client safety.

08 · Product knowledge & tool handling

Adhesives, tweezers, tapes and pads — purpose, shelf life and safe usage techniques.

Core lash styles

Classic — one extension per natural lash

Hybrid — classics blended with fans

Volume — handmade 2D–6D fans

Wet look — narrow, glossy spikes

Custom mapping for every eye shape

THEORY + DUMMY + LIVE MODEL PRACTICE

ADVANCE COURSE EXCLUSIVE

Lash Lift & Tint — the no-extension service clients love.

Lift and curl natural lashes with safe solutions, then tint for depth and definition — ideal for clients preferring a no-extension look.

Advance-track exclusive

Taught only in the Advance course, with live demonstration and guided practice.

A service you can sell immediately

Adds a high-demand, low-maintenance treatment to your menu from day one.

The Advance course includes everything from Basic, plus lash lift & tint and advanced volume artistry.

Real lash lift & tint result at MG Makeovers.

PRACTICE SETUP

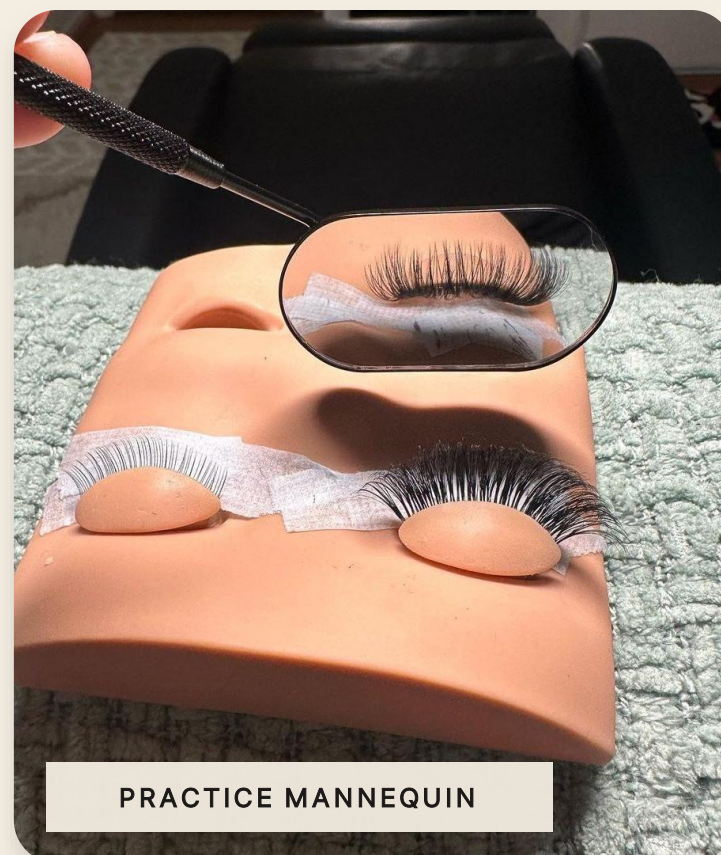

The lash kit students master, tool by tool.

Every station uses the same kit students practise on — each product is taught with its purpose, shelf life and safe usage.

SAFETY FIRST

Patch tests, adhesive handling, eye-area hygiene and isolation are drilled before any live-model work begins.

All tools and professional products are provided during class.
