

# NAIL EXTENSION *Course*

Professional nail extension and nail art training in Gurgaon — taught on live models with certification, product knowledge and career guidance.

YOU WILL LEARN

14 DAY · LIVE MODEL HANDS ON · CERTIFICATION

BASIC ₹14,999

ADV ₹24,999

# Two tracks. One professional standard.

Start with foundations, or continue into salon-ready advanced artistry.

---

## Basic Nail Extension & Art

**14–15 days · ₹14,999**

- Nail anatomy, shapes, preparation and hygiene
- Gel and acrylic extensions, overlays and refills
- French, glitter, foil, chrome, marble and brush art
- Shaping, finishing, maintenance and safe removal
- Client consultation and permanent nail colour basics

---

## Advance Nail Extension & Art

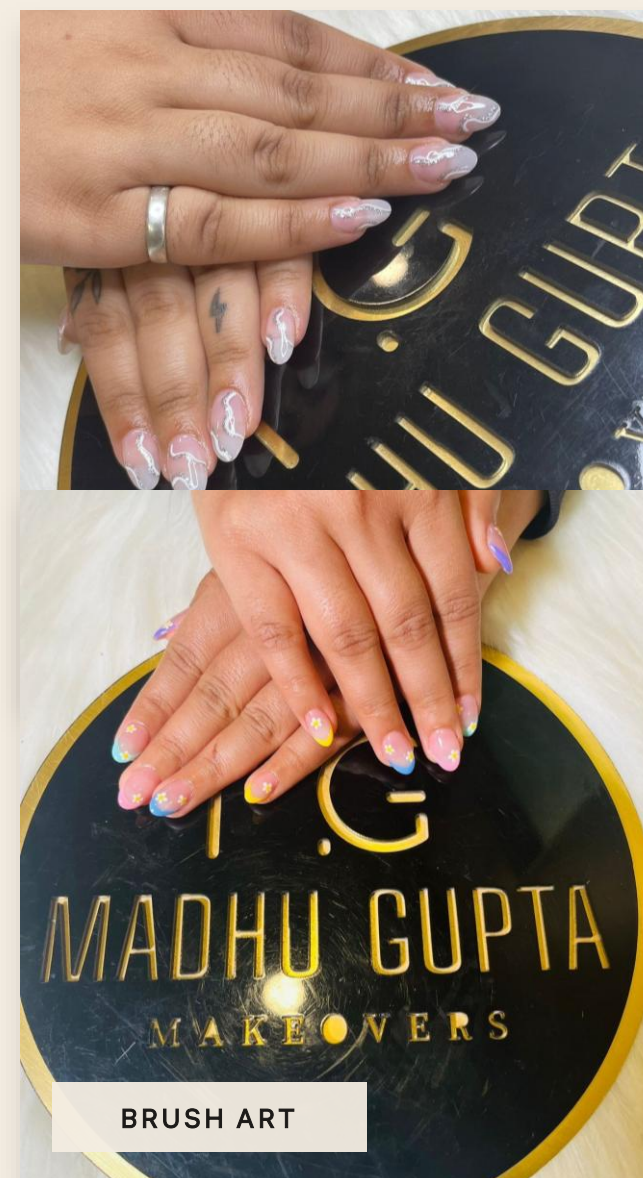

**21 days minimum · ₹24,999**

- Everything in Basic, plus 3D art, spider gel and bridal looks
- Cat eye, chrome variations, animal print and theme art
- Embellishments, nail jewellery and portfolio support

Consultation is free. Suitable for job seekers and beauty entrepreneurs. EMI options available.

# Real studio work. Real client results.

Every style shown here is taught step-by-step across the two tracks.

# Foundations that make every set clean, safe and consistent.

## 01 · Sanitation & nail anatomy

Hygiene practices, nail structure, shapes, sizes and natural nail care.

## 02 · Product selection & preparation

Tips, forms, adhesives, lamps, acrylic and gel systems — chosen and used correctly.

## 03 · Extension application

Acrylic and gel extension techniques, overlays, refilling and structure control.

## 04 · Finish, maintenance & consultation

Shaping, filing, finishing, aftercare, removal and confident client communication.

## Core art styles

- French and reverse French
- Ombre blending
- Chrome and glitter finishes
- Cat eye effect
- Basic brush art: lines, dots, swirls and florals

LIVE MODEL PRACTICE · SMALL BATCHES

ADVANCE COURSE · 21 DAYS MINIMUM

# Advanced artistry for premium, occasion-ready nails.

- **3D nail art**

Raised textures with acrylic, gel and silicone molds.

- **Chrome, cat eye & foil**

Mirror, holographic, 9D cat eye and foil extension effects.

- **Bridal nail art**

High-definition, long-lasting designs for wedding looks.

- **Statement design**

Spider gel, animal print, pearls, stones and theme art.

---

Includes everything from the Basic Course, plus industry-ready practice for salon work, portfolio building and business growth.

# What you get at MG Makeovers

Training designed around practice, feedback and a clear next step after certification.

“Learn on live models, build a portfolio, and leave with a certificate plus business guidance.”

---

## Hands-on training with live models

Practice application, shaping and finishing under trainer guidance.

## Certification from MG Makeovers

A course certificate to support salon applications and client trust.

## Quality products and kit support

Work with professional products; kit inclusion as per selected course.

## Career and business guidance

Post-training support, marketing basics, setup tips and job-placement assistance.

## Small batches for personal attention

Bespoke 1-on-1 modules for job seekers and aspiring salon owners.

## PRACTICE SETUP

# Tools students learn to use with control.

Every station uses the same kit students practise on – product knowledge is taught with application, so choices match nail structure, design and wear time.

### SAFETY FIRST

Nail anatomy, hygiene, dust control, e-file handling and product safety are taught before any live-model work begins.

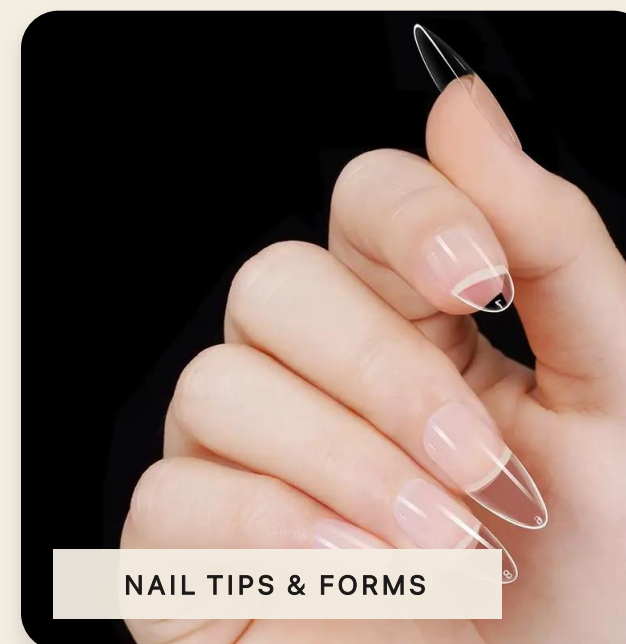

All tools and professional products are provided during class.
